what matters.™

On behalf of United Way of Calvert County, I want to commend you on the exceptionally uplifting keynote address you delivered at our annual Campaign Kickoff event last week.

We were overjoyed with the reaction of our event attendees to your "Enjoy the Ride" presentation. The audience was a diverse audience of CEO's and executives, entrepreneurs, nonprofit directors and staff, and United Way board members, but your powerful message unified them all. Some of the attendees admitted that they were a little hesitant to hear "just another motivational speech." Yet your signature brand of humor and passionate storytelling not only drove them to contagious fits of laughter, but stirred their soul as well. Leaving the event, they truly felt moved to "live each day to its fullest" and "enjoy the ride."

Thank you for igniting a spark in all of the individuals who are crucial to the success of United Way of Calvert County's campaign.

Sincerely,

Kelly Chambers  
President and CEO
